

Outreach Committee

We are looking to re-establish an Outreach Committee. Please contact the church office if you are interested in outreach activities that may draw people to Christ and his Orthodox Church.

We recognize the importance of charitable activities (especially Christ House), internal activities such as church education, and neighborhood outreach (bazaar) in our Christian witness. We would like to expand our presence to people who have not heard about Orthodoxy. We are looking for ideas and thinking that appeals to many but doesn't distract from truth and beauty of Orthodoxy.
