The 2016 Fall Bazaar was the most successful fundraising event in the history of the church. It was a great collaboration among team captains, volunteers and the clergy supported by a high turnout of residents from the neighboring areas, students, friends and family members.

2016 Fall Bazaar Income: Donations Received before the Bazaar	16685.54
2016 Fall Bazaar Income: Profit Received from the Bazaar Sales	39639.38
Total Fall Bazaar Income	56324.92
Total Expense	14127.98
<b>2016 Net Income</b>	<b>42196.94</b>

The event's highlight was a Miracle making icon of St. Anna from St. Tikhon Monastery and spiritual talks by Hierodeacon Herman. Combined with the International food and entertainment, the event emphasized the multicultural and diverse composition of the parish and parishioners. It was a true celebration of the Multinational Culture of All Parishioners that became a symbol of this church: we welcome you regardless of your geographical origin and treat all cultures equally and with respect in Christ.

The planning for next bazaar is about to start. Planning committee is working on more fundraising events for our Cathedral. The goal is to maintain our Cathedral's annual traditions and make these events as successful as possible.
