

GIFT CORNER ANNUAL REPORT FOR 2017

The past year proved to be a very busy one for the Gift Corner and One Dollar Book Room (Annex). We were the beneficiary of several sizable estates that yielded books, household items and antiques that had to be picked up, cleaned up, and priced for sale. The result was a very beneficial Flea Market and Bazaar. The books are a year round source of income amounting to thousands of dollars.

Income is further supplemented by the sale of our bi-lingual liturgy books. The rights to the book were given to St. Nicholas by the author so that we have the exclusive right to publish and sell it. As a result, we are receiving orders from churches and people in other states.

Bazaar 2017 was very successful . Not only did we have the shop in the church basement and the Annex, but we also contributed to the Bazaar's bottom line with huge amounts of kvas and delicious cakes!

The Gift Corner also received a facelift thanks to Mark P's magical hands. New show cases and display windows allow for better display and security for icons and items of value.

The Gift Corner also continues to maintain our section of Rock Creek Cemetery, providing clean-up and planting services as well as Christmas wreathes.
