

Annual Discretionary Fund Report for 2018

Thanks to the Lord, we were able to help various people in need in the past year. We helped and continue to support a woman in prison. We helped persons/families who needed money for food, medication or to pay a utility bill.

We thank all the parishioners who reached out to help people in need by making a contribution to the Discretionary Fund.

Total aid amount for 2018: \$3,640
