

Dormition Guild Icon Project

January 2017

Father Constantine White, former Dean of the Cathedral, in late 2008 expressed the need to complete the Cathedral's set of Triodion/Pentecostarion Sunday Icons (Pre-Fast, Fast and Post-Paschal). An Icon Project plan was approved at our Dormition Guild meeting in February 2009. For the first phase, the Icon Committee, with Father Constantine's assistance, selected 16 mounted icon reproductions in size 11"x14" from Holy Transfiguration Monastery, St. Isaac of Syria Skete or Uncut Mountain Supply. The icons were hung in the choir loft at the suggestion of Guild President, Mark Pietrzykoski. This proved to be the perfect place to both store and display them.

The second phase of the Project, to commission original icons for the Major Feast Days of the Orthodox Church, began in 2010. Father Constantine recommended that the icons be 14"x 18" so that they would be smaller in size than the Cathedral's Resurrection Icon. In addition, Father suggested that to have the icons written/painted by iconographers who were present or past members of St. Nicholas Cathedral would be especially meaningful. Iconographers Matushka Anna Danylevich, Colette Kalvesmaki, Maria Manley, Steve Terrell and Nadine Kastelan Thola were sent a Memo of Inquiry of Interest and responded as shown in the tables below. We are thankful to those iconographers who responded and are grateful to parishioners who came forward to sponsor these icons. Except for a few, the price range was \$1,350-\$1,600. The icons are hung on the choir loft banister. The Cathedral already had original icons of the Nativity and the Resurrection of Our Lord.

For the third and final phase of our Project, the Guild solicited sponsors for originals of the Triodion/Pentecostarion Icons. The size is 11"x14" and the price range for the majority of the icons was \$900-\$1,200. The Cathedral already had original icons of the Holy Myrrhbearing Women, Veneration of the Precious Cross, All Saints, All Saints of America, and All Saints of Russia. All the icons have now been sponsored and the last four are scheduled to be received by mid-2017. An additional icon of the Synaxis of the Archangel Michael and the Bodiless Powers was added to our Project and has also been sponsored.

Through the help of Elizabeth Slanta, Member of the Board of the Orthodox Christian Mission Center, our mounted icon reproductions were donated to Bishop David of Alaska for distribution to parishes there. Most will be given to St. Michael the Archangel Parish in Eek, Alaska.

We thank all those who have sponsored these 29 beautiful icons of the Dormition Guild Icon Project. See icon lists with iconographers, sponsors and memorials on the pages below. Engraved plaques with this information will be attached to the back of each icon.

Glory to God for all things.
